**Hockey Ireland Coronavirus (COVID-19) UPDATE regarding Government Announcement on reduced restrictions**

**27<sup>th</sup> November 2020**

As you may be aware, the Irish Government is meeting today to make the final decisions on how the country will exit Level 5.

A public announcement to communicate these plans is also due to follow.

We have been informed by Sport Ireland that the Sport Expert Group met today. However, they are not in a position to provide additional direction or individual confirmation to sports in advance of Government decisions.

Hockey Ireland is looking forward to further information from Sport Ireland before reviewing our guidance and protocols to enable a safe return to hockey activities, including training and competitions. We will be examining how the governments' announcement may influence our existing protocols and will issue all our members with guidance as soon as possible.

Hockey Ireland would again like to thank everyone for their patience and understanding during this time.

Please keep safe. For further information on Covid-19:
