

Appendix 6 – Hockey Ireland Disciplinary, Complaints & Appeals Procedure

As a leader/employee/volunteer/member of Hockey Ireland, your behaviour must always reflect the high standards of our organisation and all that is good within our sport. Fair play in all competitions is expected. Where an allegation or complaint arises that your behaviour has fallen short of the standard expected of you, an inquiry will be made to establish if you should be subject to a disciplinary process.

Safeguarding complaints are complaints that involve a person under the age of 18. This document is written to provide a clear and easy to follow guide on how alleged poor practice complaints of a safeguarding nature are handled within Hockey Ireland. It is important to note that the investigation of suspected child abuse is the responsibility of the Statutory Authorities and **should not** be undertaken by National Children's Officers/ Designated Liaison Person's or other Hockey Leaders. The standard reporting procedure outlined in the Statutory Authorities guidelines will be followed.

If an incident occurs that appears to breach the expected standards, the following procedure will be followed:

Process for dealing with alleged Poor Practice

Where alleged poor practice has been identified or reported, it must be dealt with in a fair and impartial manner. All information should be treated in the strictest of confidence, in accordance with procedures concerning confidentiality outlined in Hockey Ireland's Safeguarding Policy.

If the complainant believes the concern is of a safeguarding nature, then the following procedure should be followed:

- The complaint should be in writing marked confidential to the National Children's Officer¹ and should normally be acknowledged within 7 working days. If the complaint is against a young person, correspondence will be to the parent/guardian.
- On receiving a complaint, the Hockey Ireland Board will appoint a Disciplinary Committee of at least three members within seven working days, who shall convene within a further seven (7) working days, in line with the Hockey Ireland Bye Law 18.
- The panel will normally consist of representatives with appropriate safeguarding knowledge, e.g. representatives from the National Welfare committee, the Hockey Ireland Board and the National Children's Officer.
- The disciplinary committee will furnish the individual with the nature of the complaint being made against them and afford them the opportunity of providing a response either verbally or in writing, but usually at a meeting with the disciplinary panel. U18's should be accompanied by a parent/guardian.
- The Inquiry Committee may adjourn its meeting if considered appropriate but for no more than seven (7) days. The parties to the enquiry must be informed of the re- commencement date.
- While maintaining confidentiality the appropriate disciplinary panel with safeguarding knowledge will hear the case of all parties involved and decide based on the balance of probability if behaviour has breached Hockey Ireland's Safeguarding Policy.
- If the complaint involves suspected abuse or a criminal offence the National Children's Officer/Designated Liason Person will immediately inform the statutory authorities and consult with the HI safeguarding case management group if any interim internal action is required.
- The disciplinary panel will review any relevant paperwork and hold any necessary meetings with all parties to proceed with complaints into any incident of suspected misconduct that does not relate to child abuse.
- Written confidential records of all complaints will be kept safely and confidentially electronically by the National Children's Officer. .
- Where it is established that an incident of misconduct has taken place, the disciplinary panel will notify the alleged of any sanction being imposed. The range of sanctions should reflect the seriousness of the alleged misconduct, whilst at the same time, being fair and proportionate to the complaint. The notification should be made in writing, setting out the reasons for the sanction. If the member is under 18 years of age, correspondence will be addressed to the parents/guardians.
- If the leader/employee/volunteer against whom the complaint was made is unhappy with the decision of the disciplinary committee, they have the right to appeal the decision to an appeals committee (independent of a disciplinary committee). Any appeal should be made in writing within 14 days of the decision of the disciplinary committee in line with Hockey Ireland Bye Law 19.
- Following the appeals meeting the Appeals Committee will either confirm the original sanction or modify it in respect of further information provided through the appeal hearing. This decision is final and cannot be appealed against

Suspension for Safeguarding Purposes

If any leader/employee/volunteer/member of Hockey Ireland becomes the subject of an allegation of sexual misconduct or abuse involving a child or young person, resulting in an investigation by any statutory agencies charged with that responsibility, then Hockey Ireland reserves the right to impose a suspension without prejudice of their role until the matter has been fully investigated, a decision reached and an internal risk assessment completed. Upon the successful resolution of the matter by the statutory agencies, the employee/volunteer/leader may have their suspension lifted. But the removal of a suspension will only follow an additional Hockey Ireland risk assessment to consider any possible breaches of the Hockey Ireland Safeguarding policy.

The recommendation by the Hockey Ireland disciplinary committee/case management group should be confirmed by the Board of Hockey Ireland and will be communicated in writing to the employee/volunteer/leader/member.

In this respect the Statutory Authorities are Tusla and An Garda Síochána in the Republic of Ireland and Health & Social Care Trusts Gateway Team and The PSNI in Northern Ireland.
